2010 FAA Knowledge Exam Product Availability

The 2010 Test Preps (books for pilots), Fast-Track Test Guides (books for mechanics), Prepware* (software for both pilots and mechanics), and Virtual Test Prep (DVD ground school) are beginning to ship this month!

Each book in the ASA Test Prep Series includes:

- Free Updates available online at www.asa2fly.com to keep the books current with FAA test changes
- Free email Update service available to notify users of test changes
- All the information students need to ace the FAA Knowledge Exams
- Chapter subject text immediately followed by the corresponding FAA questions
- Actual FAA questions and answer choices
- Explanations for both correct and incorrect answers
- References for all question categories (airplane, rotorcraft, glider, lighter-than-air, etc.)
- Questions arranged by subject for efficient studying
- The applicable “CT-8080” computer testing figures book

**See June 19 Bulletin for part numbers and prices on Prepware and Virtual Test Prep titles.
*All Prepware titles will begin shipping August 7! Virtual Test Preps are available now.**

Cover returns for unsold, unused, obsolete 2009 Test Preps and Test Guides will be accepted from *Distributors only* through September 30, 2009 for full credit. Please return the covers and complete intact CT-8080 books and recycle the remaining portion of the books where applicable. **Cover returns are not being accepted for the Flight Engineer, Sport Pilot, and Inspection Authorization Test Preps; your stock remains current.**
