Release of 2010 FAR/AIM Products

Orders are now being accepted for **2010 FAR/AIM products**. All ASA FAR/AIM Series books are indexed, show clearly-marked changes since the last release for quick reference, and the FAR/AIM book has a suggested study list of regulations and AIM paragraphs. AIM includes Change 3, effective August 27, 2009, as well as full-color graphics. Updates are available as free downloads from the ASA website for instant access to regulation and procedural changes. Readers can sign up for ASA's email Update Service for automatic notification when a rule has changed. This free subscription service keeps readers aware of all FAA changes throughout the year and is the most comprehensive of its kind anywhere.

FAR-FC and FAR-AMT books will begin shipping July 20!
FAR/AIM book will begin shipping September 16!

Watch for additional Bulletins as the production schedule is updated.
