Private Pilot Curriculum Books

New Editions of Private Pilot Syllabi Now Available

The Complete Private Pilot Syllabus: 3rd Edition

This book offers a ground and flight training curriculum, meeting all experience and knowledge requirements for both Part 61 and 141 programs. Used in conjunction with Bob Gardner's *The Complete Private Pilot* textbook 10th Edition, the syllabus will take the student from start to finish in an efficient and logical manner, with the ultimate goal of achieving Private Pilot Airplane certification. Stage Exams included.

Orders are now shipping! Cover returns for unused, unsold copies will be accepted from **Distributors only** for previous editions (ASA-PPT-S) through August 31, 2007. Contact your favorite ASA Distributor for cover return instructions.

The Pilot's Manual Private Pilot Syllabus: 4th Edition

A flight and ground training course for Private Pilot Airplane Certification, based on *The Pilot's Manual Series Ground School*. This syllabus meets Part 61 and 141 requirements. Stage Exams included. This new Fourth Edition adds a Basic Aviation Training Device (Basic ATD) Syllabus in an appendix, showing instructors how best to incorporate the allowed 2.5 hours loggable time on an FAA-approved desktop flight simulator into their curriculum.

Orders will begin shipping July 16. Cover returns for unused, unsold copies will be accepted from **Distributors only** for previous editions (ASA-PM-S-P3) through September 28, 2007. Contact your favorite ASA Distributor for cover return instructions.
