## New ASA Pen!

A Writing Implement for Any Occasion

The ASA Pen is a BIC® *Grip Roller* with rounded barrel for a contemporary look and rubber grip for comfort and control. It's also equipped with a micro fine (0.5mm) strong metal point and fast-drying black ink for clean, precise writing. It sports the ASA wings logo, and has a nonrefillable, two-piece roller, with a nickel plated clip. The ASA Pen's simple yet elegant style and universal utility make it a great gift or the perfect cockpit companion.
