AirClassics™ Headset Now with New Flex Boom!

A classic is now even better. The venerable HS-1 headset, a favorite among pilots for nearly 15 years, now has a flex boom mic. The flex boom provides the ultimate combination of durability and ease of use. Microphone placement has never been easier and the flex boom houses the microphone wires for unparalleled protection. The HS-1 has always been known for its no-nonsense uncompromising quality and reasonable price. And of course, it's guaranteed against defects in materials and workmanship for the life of the original owner!

- Earcups of high-density acoustic foam for best passive noise attenuation
- High fidelity speakers for clear, natural sound
- Electret, noise-canceling microphone reduces background noise and allows clearest voice transmission
- Gold-plated microphone and headphone plugs ensure best connection and resist corrosion
- High-grade, multi-strand wire improves cable life
- Stereo/mono capability
- Large, dual controls for quick, easy volume adjustment of each ear
- Microphone muff
- Adjustable headband with easy thumb screws eliminates "hot spots" and accommodates eyeglasses and any head size
- Quality foam ear seals and light weight add to overall comfort
- Sleek, all-black design with ASA silver wings tastefully silk-screened on each earcup
- Sturdy and reliable — yet reasonably priced for maximum value
- Lifetime warranty
