## News You Can Use

### Prepware School—Status Update

*Prepware School* will be available September 17. Please note that it is now a **Download Only** product (no disk or clamshell case). Contact your ASA Distributor for purchase details.

### AC 00-45G Change 1

**Change 1, effective July 2010, is now available for the FAA's *Aviation Weather Services* Advisory Circular (ASA-AC00-45G).** This Change 1 will be printed and stuffed inside books ordered *after* September 2010. Please contact your ASA Distributor to request quantities of these Change 1 booklets to stuff in your current inventory. Change 1 is also available in PDF format for immediate download on the ASA-AC00-45G product page at [www.asa2fly.com](http://www.asa2fly.com).

### Updating Your ASA Kits

As the new FAR-AIM books start shipping don't forget that several ASA kits contain FAR-AIMs. Please put new FAR-AIM and Test Prep books into your kits and return the old covers for credit.

**2011 FAR/AIMs will begin shipping September 15!**
