ASA's 2011 Catalog Now Available!

Newcastle, WA—Aviation Supplies & Academics, Inc. (ASA) announces the release of their 2011 catalog. ASA's annual catalog is the company's primary tool to inform the aviation community of product descriptions, part numbers and pricing for the complete product line. This product line consists of textbooks for pilots and aviation maintenance technicians, test preparation books and software, FAA handbooks, pilot supplies, flight simulation and tutorial software, eBooks, mobile device apps and more—over 400 products published or manufactured by ASA.

The full-color *2011 Product Showcase* features several exciting new products which are clearly marked throughout its 48 pages. ASA remains committed to supplying the industry with the most current FAA publications, including Practical Test Standards and Handbooks. The *Test Prep*, *Prepware*, *Virtual Test Prep* and FAR/AIM series are published annually to ensure pilots have the most current information available. The ASA pilot supply collection and innovative software keep students, pilots and instructors flying. Each product is explained in detail and accompanied by full-color images.

This new catalog continues ASA's mission—"Training Starts Here"—and offers a wide spectrum of products specifically designed to meet the needs of all aviators, including pilots, flight instructors, airline transport pilots, flight engineers, flight attendants, air traffic controllers, and aviation technicians.

Visit www.asa2fly.com to request a printed catalog or download the convenient PDF version.

ASA is an industry leader in the development and sale of aviation supplies, software, and publications for pilots, flight instructors, flight engineers, air traffic controllers, flight attendants, and aviation technicians. ASA's corporate headquarters are located at 7005 132nd Place SE • Newcastle, WA • 98059.
