ASA's 2006 Summer/Fall Catalog Now Available!

Newcastle, WA — Aviation Supplies & Academics, Inc. (ASA) announces the release of their **2006 Summer/Fall catalog**. ASA's catalog is the company's primary tool to inform the aviation community of product descriptions, part numbers and pricing for the complete product line which consists of textbooks for pilots and aviation maintenance technicians, test preparation books and software, FAA handbooks, pilot supplies, and flight simulation and tutorial software, published or manufactured by ASA.

The 40-page, full-color 2006 Summer/Fall Product Showcase features more far-ranging coverage of aviation topics with the new titles added to the ASA library including 26 titles previously published by Blackwell/Iowa State Press — aviation favorites from authors Kershner, Brown, Fowler, Casner, and more. Other new titles include *The Complete G1000 Course*, 4 new DVD boxed sets of flight videos, *ChartCase Electronic Flight Bag (EFB)* software, and the *Private Pilot Audio Checkride* CD-ROM. ASA remains committed to supplying the industry with the most current FAA publications, including Practical Test Standards and handbooks. They publish the Test Prep, Prepware, Virtual Test Prep and FAR/AIM series annually to ensure pilots have the most current information available; the 2007 Series are included in the catalog and are now available. Each product is explained in detail and accompanied by full-color images.

This new catalog continues ASA's mission—"Training Starts Here"—and offers a wide spectrum of products specifically designed to meet the needs of all aviators, including student and sport pilots, flight instructors, airline transport pilots, and aviation maintenance technicians.

ASA is an industry leader in the development and sale of aviation supplies, software, and publications for pilots, flight instructors, flight engineers, and aviation technicians. ASA's corporate headquarters are located at 7005 132nd Place SE • Newcastle, WA • 98059-3153. For additional product information call 1.800.ASA.2.FLY or 425.235.1500, or visit ASA's online catalog (www.asa2fly.com) and select the desired product category, or use the search window to find specific products.
