FAR and AIM Flashcards from ASA

Useful Study Aids

Newcastle, WA—**Keep your cockpit skills sharp or prepare for that important test, checkride or interview!**

Flashcard study aids help pilots develop and maintain a solid core-knowledge of the rules and regulations that are a part of a pilot's daily life. Designed to be easy to pack and carry, flashcards provide pertinent regulatory questions with answers and references, facilitating learning with a rapid-fire flashcards format.

Updated to include the latest rules and operating procedures as well as Sport Pilot and Light-Sport Aircraft questions. *FAR Cards* provide 112 practice questions from FAR Parts 1, 61, and 91. *AIM Cards* contain 92 practice questions from the Aeronautical Information Manual (AIM).

Written by airline pilot instructor and author Ron McElroy, the flashcards are especially helpful for folks operating IFR or as an ATP.

Printed on heavy card stock in a 4"x 6" format, shrink-wrapped in clear plastic. A hole punched through the cards and a metal ring clip is included to keep the cards in order.
