Exciting New DVD Series Now Available From ASA America's Fighting Jets

Newcastle, WA—A new title has been added to the popular Topics Entertainment video products, available from ASA. *America's Fighting Jets* is the definitive series on the aircraft that daily stand on guard in defense of freedom. Feel the G forces and the sweat on your forehead as you streak through the sky in aerial combat. Experience the world of U.S. combat pilots as you fly over the arctic tundra and desert sand in jets of the Air Force, Navy, and Marine Corps.

Watch the intense training and heart-pounding missions of the Top Gun pilots...enter the shadowy world of top secret spy planes. Featuring stunning, archival footage of planes, pilots and crew in action, this series offers a fascinating look into the intense world of F-15 Eagles, F-14, F/A-18, Stealth Fighters, Vipers and more.

This 4-DVD box set is an \$80 value if sold separately and includes these exciting DVD titles (45 minutes each) in a beautiful printed package—ideal for gift-giving:

Jets of the Air Force ♦ Jets of the U.S. Navy and Marines ♦ Jets of the Cold War ♦ Unusual Jets
