Exciting Aviation Video Programs Now Available from ASA!

4-DVD Boxed Sets For Only \$29.99 each

Newcastle, WA—ASA brings you something completely different from our traditional training materials—a video series presenting the best from independent producers and filmmakers. Four separate subject titles, each containing four full-length DVD programs.

Aviation Action

A collection of adrenaline-pumping flight videos. With featured maneuvers from top flight teams from the USA, Canada, France, and Brazil, *Aviation Action* packs excitement into this incredible high-altitude footage. *Arrow Through the Heart* pays tribute to the Italian Jet Team, showcasing a perfect aerial performance the day before deadly tragedy struck. And altitude meets attitude in *Thunderbirds: Skies of Thunder*, the exhilarating point-of-view film that puts you in the cockpit with these Air Force aero. Finally, *The Blues & The Birds* demonstrates just what it's like to accompany the Blue Angels and the Thunderbirds in airshow performance. Sky-high thrills and down-to-earth intensity. Runtime approximately 150 minutes.

Military Air Power

The flight action never stops in *Military Air Power*, a collection of military aircraft videos. *Wings of Silver* offers up the highs and the “lows” of United States Air Force prowess, on low-level strikes and at heights of 30,000 feet. *Wings of Gold* showcases high-speed aircraft carrier flight operations and a thrilling demonstration from the Blue Angels. Fly along in the world's most technologically advanced fighter aircraft as you battle an enemy MiG in *Thunder from Above*. Finally, *Nightstalkers* exposes the complete story of the U.S. government's military Stealth aircraft program. It's altitude with attitude on DVD. Runtime approximately 240 minutes.

Fighter Pilots

Fly with Top Gun F-14 Tomcats as you're blasted off a modern day super aircraft carrier. Experience the F-16 Fighting Falcon and meet the pilots who made it a true multi-role fighter in the Gulf War. Ride along in the cockpit of the F-15 Eagle during gut wrenching dogfights and supersonic low-level attacks. Patrol the skies over Iraq in an F/A-18 Hornet as pilots destroy real Iraqi MiGs. See the training that today's fighter pilots need to fly these exotic aircraft. Get a detailed look at the systems and weapons on the world's most popular multi-mission fighter aircrafts. Runtime approximately 280 minutes.
