## DVD Titles Added to TE Collection

### Aviation History Comes Alive in Exciting Video Programs

Newcastle, WA—Three titles have been added to the popular **Topics Entertainment** exclusive video products line. Each is a definitive collection of timeless moments in aviation history that mirror humankind’s quest for the sky. Pilots and aviation enthusiasts alike will want to add these to their libraries. The beautifully packaged DVD sets are also ideal for gift-giving!

#### **Classic Aviation Films** 6-DVD Collector’s Set

Ride along and relive the incredible journey of one of man’s greatest endeavors. *Classic Aviation Films* takes you from the earliest flights of the Wright brothers to the screaming hypersonic edge of space as you tour dramatic moments in the history of flight.

#### **NASA: A Retrospective** 4-DVD Collector’s Set

Historic documentary films chronicle the daunting challenges and awe-inspiring achievements of the U.S. Space Program. With spectacular film footage, still photographs, and informative commentary, this Collector’s Set is a must for anyone interested in the exploration of our vast universe and who wonders “what’s out there.”

#### **WWII Air War** 6-DVD Collector’s Set

Select materials from the National Archives document America’s airborne involvement in World War II. Featuring everything from historical newsreel footage to documentary featurettes lensed and narrated by top Hollywood enlistees, *WWII: Air War* spotlights astonishing images culled from the millions of films that make up the National Archives’ popular holdings.
