

Update to Commercial Pilot Test

Commercial Pilot Test Prep 2010

October 2009

ASA-TP-C-10

With the following changes, ASA's *Commercial Pilot Test Prep 2010* provides complete preparation for the FAA Commercial Pilot and Military Competency Knowledge Exams. The FAA may rearrange the answer stems on your test to appear in a different order than you see in the ASA Test Prep. For this reason, be careful to fully understand the intent of each question and corresponding answer while studying, rather than memorize the A, B, C associated with the correct response. The next test change from the FAA is expected in February 2010.
