

Update to Sport Pilot Test

Sport Pilot Test Prep 2009

October 2009

ASA-TP-Sport-09

With the following changes, ASA's *Sport Pilot Test Prep 2009* provides complete preparation for the FAA Sport Pilot Knowledge Exam. The FAA may rearrange the answer stems on your test to appear in a different order than you see in the ASA Test Prep. For this reason, be careful to fully understand the intent of each question and corresponding answer while studying, rather than memorize the A, B, C associated with the correct response. The next test change from the FAA is expected in February 2010.
